

PJLA Update Notification

Update Notification # 31

Update Notification Release Date: March 25, 2016

Form/Procedure/Policy: PJLA Compliance Checker LF-127, PT Providers

Attention All Applicant and Accredited Environmental Testing Organizations:

Effective immediately, all environmental testing laboratories accredited to either **DoD ELAP** or to the **TNI EL Standard (NELAC)** by PJLA as their Primary accrediting body, must ensure that PT data is provided to PJLA within 15 days from the receipt of the completed study. All data should be submitted directly from the provider in an Excel based (.csv) format. We will no longer require proficiency testing data to be submitted on the (LF-127) PJLA Compliance Checker Form.

PJLA has already contacted the following providers and requested data to be submitted in the (.csv) Excel format:

- Absolute Standards Inc.
- Advanced Analytical Solutions, LLC.
- ERA
- NSI
- NYS DOH Environmental Laboratory Approval Program
- Phenova
- Sigma-Aldrich

As a reminder, it is the responsibility of the laboratory to have PT data submitted to PJLA directly. Please ensure your PT provider has PJLA on their distribution list. PT results should be submitted via email to pt@pjlab.com **Attention Tamara Norris**.

If you have any questions in regards to this notification, please feel free to contact us at any time.

Thank you.
