

PJLA Update Notification

Update Notification # 57

Update Notification Release Date: 11/23/21

Form/Procedure/Policy: New Accreditation Program Available for Horseracing Testing Laboratories and Supporting Documents

Attention All Applicant and Accredited Organizations:

We are now offering accreditation for Horseracing testing laboratories. This is in accordance with the Accreditation Requirements and Operating Criteria for Horseracing Laboratories Program (ILAC G7:02/2016) and ISO/IEC 17025:2017. Information on this program has now been made available on our website as well as the new assessment working document checklist LF-56-17025-HRSR.

If you are interested in applying for this program, please contact our PJLA staff for more information.

Thank you!
